NOTE: System certifies wrestlers weight class on the 1st match report entered for each team. Filling in Actual Wt: will certify at the weight they qualify for according to Actual weight recorded. If weight is not recorded in Actual Wt: System defaults to weight class wrestled on match report. Member Admins cannot change a wrestlers certified weight once entered on match report and must Contact the Admin to request certified weight class change. Teams should document wrestlers weigh-in weights at match weigh-ins to resolve any certified weight class disputes.

The screenshot shows a web browser window with the URL `subwl.com/smembers_match_entry.asp?id=900`. The page title is "Suburban Junior Wrestling League" and the date is "Thursday, Oct 6". The navigation menu includes "Home", "Rosters", "Schedules/Results", "Team Records", "Reports", and "Logout".

A warning box contains the following text:

USE "No Wrestler" WHEN REPORTING RESULTS FOR TEAM WITH MISSING WRESTLERS.
 * column for Hard weights. (Certified Weight Class established at 1st. league match).
Actual Wt: weigh-in weight; certification and tournament eligibility. **Change to weigh-in weight.**
Results: double forfeit = 'No Contest' choose 'No Wrestler' both teams. **Forfeits** choose 'No Wrestler'.
Score: individual match score (optional entry); System adds team scores based on Results input.
Winner: (select the team of the wrestler who won match) **(Either team for No Contest/Double forfeit.)**

Below the warning box is a "Match Rosters" button and a tip: "Tip: Use Tab key and type 1st letter of wrestlers 1st name, continue hitting 1st letter until wrestler name appears. Results and Winner columns work in the same manner 1st letter of result or winners team."

The main table is for the date "10/6/2022" and compares Livingston (Home) and Belleville (Visitor) teams. The table has columns for "Wt:", "Actual Wt:", "Results:", "Score:", and "Winner:". The rows show matches for 60, 65, and 70 weight classes.
